

ElACP-RP, ICAR-CAZRI organized Environmental Walk on the Occasion of 150th Anniversary of Vande Matram

ElACP-RP on Combating Desertification, ICAR-CAZRI, Jodhpur organized an Environmental Walk and lecture for the students of Narayana E-techno School, Jodhpur on the occasion of Commemoration of 150th anniversary of the National Song 'Vande Matram' under the guidance of Director, CAZRI, Dr. S.P.S. Tanwar. ElACP, Coordinator, Dr. P.C. Moharana, began the program by briefly describing about the Children's Day and ElACP's activities. Dr. S.P.S. Tanwar, Director, encouraged students to think about doing something positive in their lives and about the National Song. Dr. Priyabrata Santra, Head, Division of Natural Resources, spoke about the diversity in western Rajasthan and significance of the National Song. Scientist, Dr. Anand Kumar gave detailed information about the 150th anniversary of the national song 'Vande Matram' and everyone participated in Vande Matram song together. Students Mannat Dudi and Ridhima Deora expressed their views. Dr. P.C. Moharana showed the Sand Dune stabilization model and explained about sand dunes in western Rajasthan and various sand dune stabilization techniques. ElACP-RP Program Officer Dr. Mayur Bhati gave the information about the Mission Life and took the students on a visit of the Agri Eco Tourism Park. Narayana School Principal Dr. Karuna Lakhmera, Zonal Coordinator, Sh. Racharla Naresh, Academic Dean, Sh. Sunil Kachhwaha, and ten other teachers were present. The program was coordinated by Dr. Mayur Bhati, Sonali, and Avinash Khatri.
