

The ICAR-CAZRI, Jodhpur contingent, led by Dr. Vipin Chaudhary, CDM, participated with great enthusiasm in the Inter-Zonal Sports Meet of the Indian Council of Agricultural Research held at ICAR-Indian Institute of Sugarcane Research, Lucknow, from 4–7 November 2025. A team of 32 sportspersons, along with CDM and 2 Managers, represented CAZRI in football, basketball, volleyball, and athletics, showcasing commendable sporting spirit and teamwork. The contingent delivered notable achievements, with athlete Mr. Daleep Nayak clinching the gold medal in the men's 400-metre race and Mr. Sumer Katoch securing a silver medal in the javelin throw. In team events, the CAZRI basketball squad put up an impressive performance and finished as runners-up, earning a silver medal. The tournament brought together participants from all five zones of ICAR — North, East, West, South, and Central — creating a vibrant atmosphere of healthy competition and camaraderie. The Director, ICAR-CAZRI, Jodhpur, congratulated all the medal winners, appreciated the efforts of the entire team, and extended best wishes for the upcoming zonal sports meet.
