

## **“Exposure Visit cum Farmers Scientist Interaction” at ICAR-CAZRI**

ICAR-CAZRI organized “Exposure Visit cum Farmers Scientist Interaction” on 9<sup>th</sup> February 2017, in which more than 140 partner farmers participated from four villages viz., Popavas, Gantiyala, Sirodi and Rajwa under Popavas Panchayat, Mandor block of Jodhpur district. This visit was arranged to give the first-hand look to the selected farmers in seed production of cumin and mustard, fodder production of perennial grasses, utilization of solar energy and establishment of orchard and dairy demonstration unit. Farmers shown keen interest in the proposed project activities and provided many useful inputs towards implementation of project.

During the interaction meet, Dr. O.P.Yadav, Director, CAZRI addressed the farmers gathering and emphasized that every beneficiary of this project must set an example to inspire his fellow farmers. Dr. P. Rohilla, Principal Scientist & Member Secretary of the FFP from ATARI explained about the formulation, constitution and implementation of the project.

The meeting was ended with the vote of thanks to chair by Dr. Pratiba Tewari, Head, and the programme was coordinated by Dr. Vijay Avinashilingam, N.A.. This programme was organised under Farmers FIRST Project
